PROFESSIONAL SUMMARY

ICT & Media Design student at Fontys University of Applied Sciences with practical experience in UI/UX design, user research, and interactive prototyping. During my internship at Digital Planet LTD, I worked on a Virtual Classroom platform, translating student needs and stakeholder feedback into accessible, user-friendly designs.

Skilled in Figma, wireframing, competitor analysis, user interviews, and usability testing. I enjoy turning research insights into clear interfaces and refining solutions through iterative design and validation.

I combine creative thinking and front-end development knowledge with communication, teamwork, and problem-solving skills developed through both design projects and customer-facing roles.

EXPERIENCE CONTINUED

Manager

Shatrata Café Bar Restaurant / 2020-2022

- Monitor and run the venue
- Directly oversee and daily manage the operations for the company
- Suggest and imply changes to the operating standards in order to improve the efficiency of work. I suggested to the GM to split the employees on different sections, in order to keep an easier track and know who to liaise with if a complaint came up or if clients were causing trouble.
- Providing a safe environment for all the employees and customers by identifying problematic clients and having them removed.
- Performing general office duties as needed (sending/ answering emails, phone calls, etc.)
- Training staff and staff-initiated plans to improve customer relations, quality standards, and service efficiency
- Book and organise interviews.
- Update daily the company's social media and help out with marketing ideas

Lifeguard

Cacao Beach Bulgaria / 2020-2022 summer period

- Supervise swimming activities at the beach and ensure that policies, guidelines, and safety procedures are followed.
- Warn swimmers of improper activities or danger and enforce beach regulations and water safety policies.
- Administer first aid in the event of injury, rescue swimmers in distress or danger of drowning, and administer CPR and/or artificial respiration, if necessary.
- Evaluate conditions for safety and initiate aquatics emergency action plan as required.
- Instructor assists classes in fundamentals of swimming as needed.

EDUCATION

BACHELOR'S DEGREE – Media Design
Fontys University Eindhoven | 2022 - present

- The demanding course is pushing me to develop my own style and to help me stand out in the field. While currently attending my studies I am developing a range of core programming skills including researching, interviewing, writing documents, while using various technologies and front-end developing.

HIGH SCHOOL DIPLOMA – Applied Programming
Professional School of Electronics Stara Zagora (Bulgaria) | 2017-2022

- Project management and presentation, passing the two final exams with A and receiving the highest Degree available in High Schools.

VOLUNTARY & CHARITABLE WORK

Zeleni Balkani – STARA ZAGORA
Animal rescue centre in Stara Zagora 2019-2021

- Volunteered at one the biggest centres in the country, assisting with rehabilitation and care of the animals.
- Provided care during the animal's recovery process, which included taking them home when the clinics were at full capacity.
- Kept the organisations social media up-to-date to bringing awareness to the local community about the animals available for adoption and the positive work we were doing.
- As an animal lover my entire life, I had to do everything I could to help, even if I was quite young at the time.
